Raw Thrills Minecraft Dungeons Arcade - 4 Player

The best-selling video game franchise of all time has come to the arcade. After launching a successful partnership with the smash hit Halo: Fireteam Raven, Raw Thrills and Play Mechanix have released their latest venture with Microsoft and Mojang Studios – Minecraft Dungeons Arcade! Minecraft Dungeons Arcade is an epic, action-packed adaptation of the popular console and computer game Minecraft Dungeons, a multiplayer "dungeon crawler" set within the Minecraft universe.

In Minecraft Dungeons Arcade, up to four players use a diverse arsenal of melee and range weapons to battle through hordes of dangerous enemies and monstrous bosses across nine unique levels!
